

## LEGAL DISCLAIMER

YOU This application is designed to be used with the user's own or created playlist with legal contents. You, the End User, are responsible to check your created playlists/contents for legality and that you have full rights to use and/or RECORD contents. SilverStreams.online is not responsible for misuse of copyright or third-party contents when using the player and application. The End User should check your contents for legality and that you have rights to use and/or RECORD. By using the application means you accept the terms and conditions listed below.

SilverStreams.online does not host, provide, archive, store, or distribute media of any kind, and acts merely as an index (or directory) of media posted by other enthusiasts on the internet, which is completely outside of our control. SilverStreams.online respects the rights of others and prohibits the use of referenced material for any purpose other than that for which it is intended (where such use is lawful and free of civil liability or other constraints) and in such circumstances where possession of such material may have any adverse financial, prejudicial or any other effect on any other third party. DMCA Copyright infringement notification: SilverStreams.online fully appreciates and implements the DMCA digital millennium copyright act ("DMCA"). You can get all the details at <http://www.copyright.gov/legislation/dmca.pdf> (US copyright office website). We are always on the outlook to identify and eliminate images that may infringe upon visual graphic content belonging to a private or public entity based anywhere in the world.

HEREBY AGREE TO TERMS HERE OTHERWISE DO NOT USE THE APP. The player is an advanced player that uses M3U and JSON user-created playlists. We do not provide any actual playlists or content.

## CONTENT DISCLAIMER

Not all add-ons will work all the time. That's simply not how the system is designed. Add-on's will occasionally go down for repair or updates, and they sometimes can take weeks to come back up. Rarely an add-on might be permanently unavailable, but there is nothing to worry about because you may be able to install several add-ons that do the same thing and provide you with the same content. If one goes down, there are others to take its place. Some add-ons that need to be configured and may require you to have an account or username and password. Some add-ons may be available for free by going to the website it says to, and others may cost money. Over 95% of add-ons are free. Due to the nature of this software, not all add-ons work and not all add-ons work all the time. The makers of these add-ons do it as a hobby and not their main job nor for financial gain. Websites & servers will, from time-to-time change settings and code, or get too many users, or get shutdown. This may result in an add-on being shut down all together, and therefore no guarantees can be made on the availability of any specific add-ons. SilverStreams.online does not promote, encourage, or facilitate the use of any units for any unlawful purposes. SilverStreams.online does not provide or solicit any audiovisual content to the users. SilverStreams.online has no affiliation with any third-party provider whatsoever. Users must provide their own contents. SilverStreams.online strictly does not endorse the streaming of copyright-protected material without permission of the copyright holder.

## PROGRAMMING WARRANTY & LIABILITY

We are not responsible for the content and do not guarantee nor claim any rights to the content. We are providing the streams of all the channels as they are available online via the Internet. SilverStreams.online has several links to third-party streaming providers that are bookmarked inside our devices. We deliver these links as accessible and do not authenticate the companies or contents of any such links.

SilverStreams.online has no regulation over, is not reliable for, and makes no allegation and warranty and disclaims all liability with respect to any such streaming link. SilverStreams.online aims to provide a continuous, high-quality customer service, but we do not guarantee that the services provided by SilverStreams.online will perform at a particular speed or will be uninterrupted, or error-free. The Services can vary depending on location, line quality, inside wiring, Internet traffic, and other factors beyond the control of SilverStreams.online.

## REFUND POLICY

NO returns or exchanges possible. Once the order is confirmed and account is offered and activated, We DO NOT offer returns or refunds. All sales are final and are sold as-is, where-is and subject to all conditions listed in this selling policy.

- We don't offer refund you can buy trial for testing purpose before you buy.
- We do not accept Refunds for any issue that may come, such as bad/slow internet connections or some of channels stop working.
- We can change or delete some channels if they are not stable.
- We cannot promise all channels are working properly due to your Internet speed or other technical issues.

## INDEMNITY

You agree to indemnify and hold SilverStreams.online, and its employees and agents, harmless from and against all liabilities, legal fees, damages, losses, costs, and other expenses in relation to any claims or actions brought against SilverStreams.online arising out of any breach by you of these Terms and Conditions or other liabilities arising out of your use of this application.
